**REGION**

**Marlborough - New Zealand**

**Climate: Maritime**

**Vintage: 2019**

It has been said that there is no wine anywhere in the world that tastes like the wine of Marlborough – the balance of extraordinary purity and intensity of flavours set around impressive aroma, distinctive fruit characteristics and appealing balanced acidity is superb. These are stylish, exciting wines that surprise and delight. As with any of the great wine making regions of the world, the answer lies in a magical synergy of climate and soil, underpinned by our desire to express this unique terroir. Here in the north-eastern corner of New Zealand’s South Island, bounded by the Pacific Ocean to the east and towering mountain ranges in the hinterlands to the north and south, a broad alluvial plain stretches from the coastline, gradually rising into narrow valleys with favourable northerly aspects. Ours is a diverse landscape of spectacular natural beauty and bounty.

**TASTING NOTES**

A brilliant, pale straw green colour. Intense passionfruit and gooseberry aromas on the nose with hints of lychee and lime. The palate shows all of the crisp passionfruit flavours that present on the nose with hints of gooseberry, lime and minerality. The minerality is a result of the vines being grown in limestone soils. The crisp tropical fruit flavours and minerality is balanced by fresh acidity which cleans the palate and leaves you wanting for more.
